

# Benchmarking Report

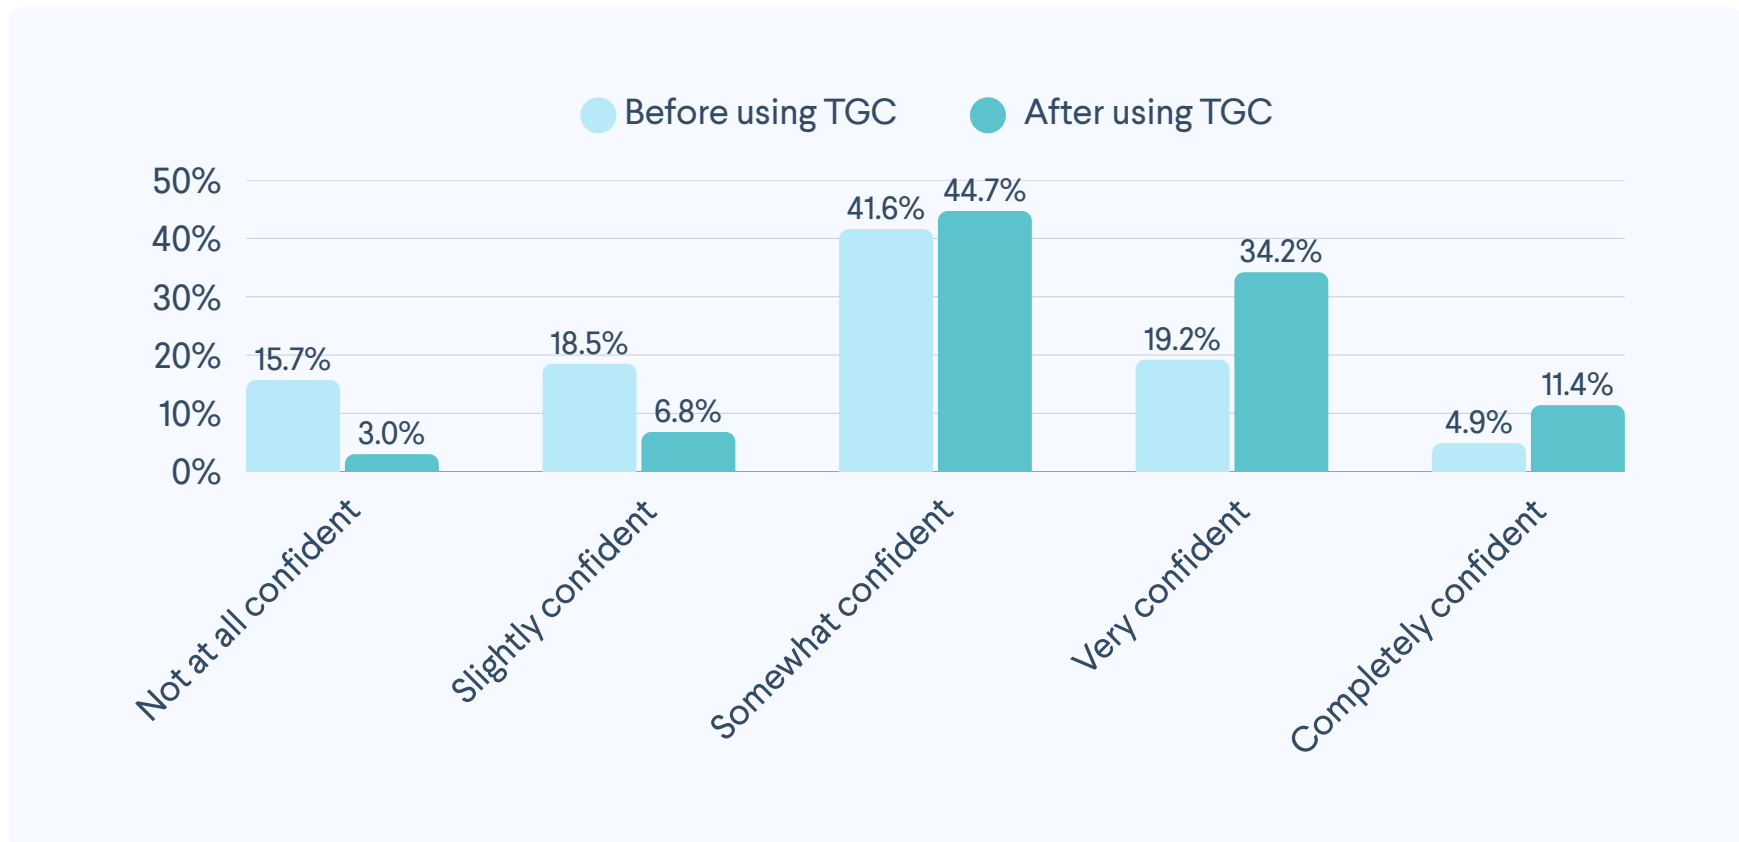

1,756 respondents - data collected via polls and surveys in the last 12 months.

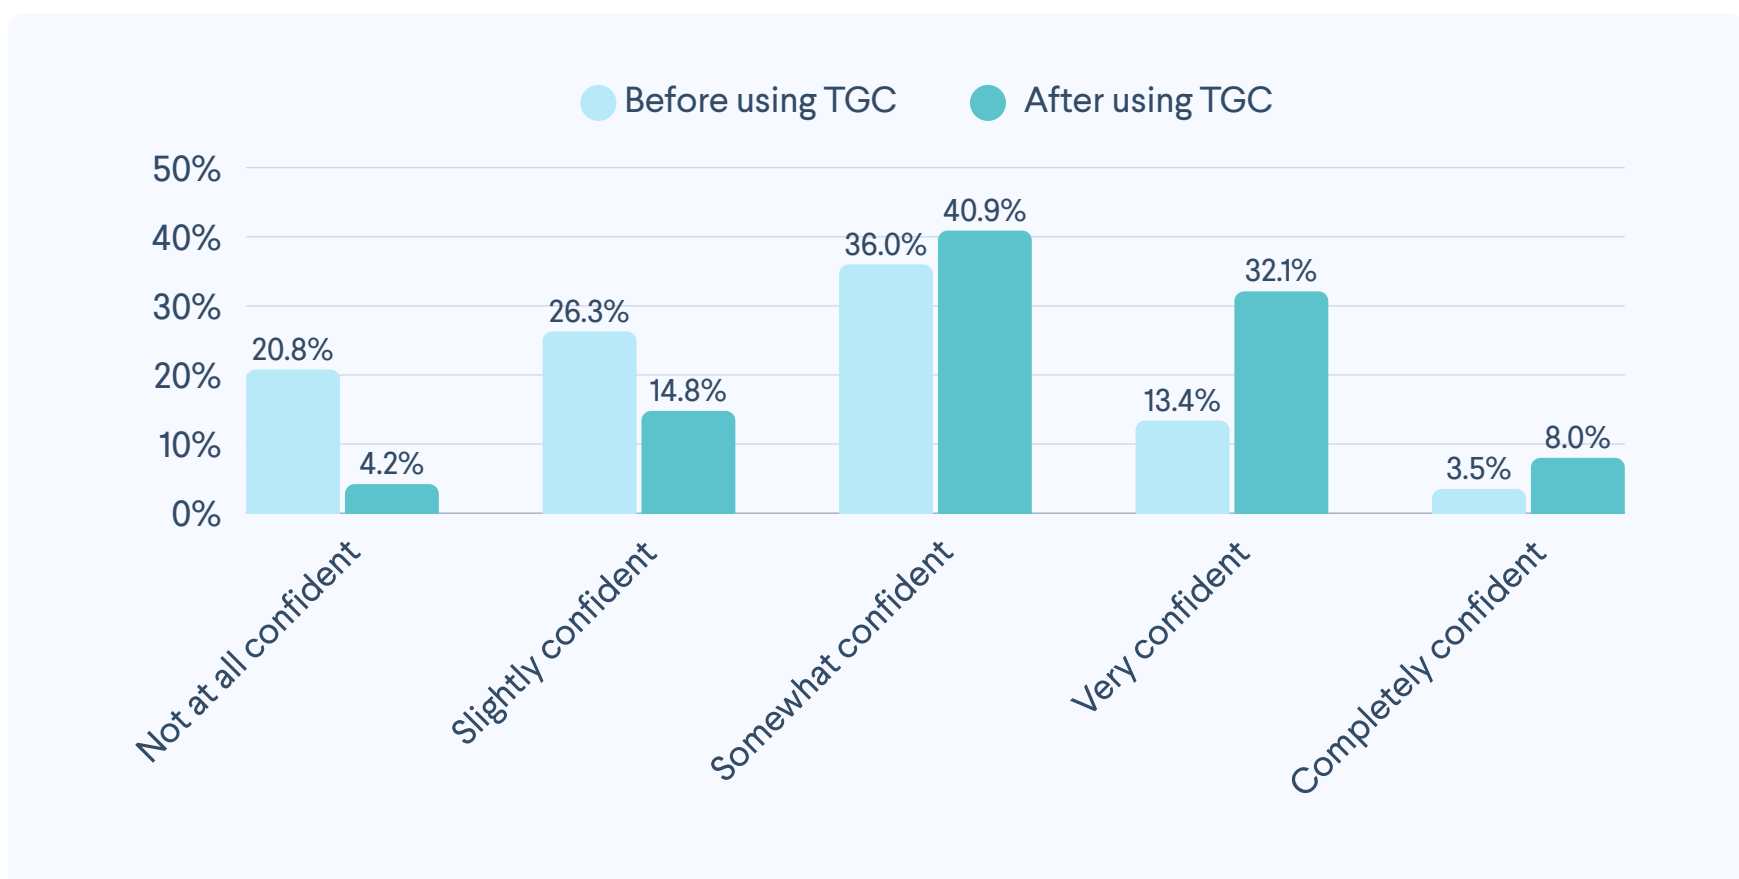

Each member is offered the opportunity to provide feedback for each benchmarking question – and again in 3-4 weeks of engagement.

(Last updated July, 2025)

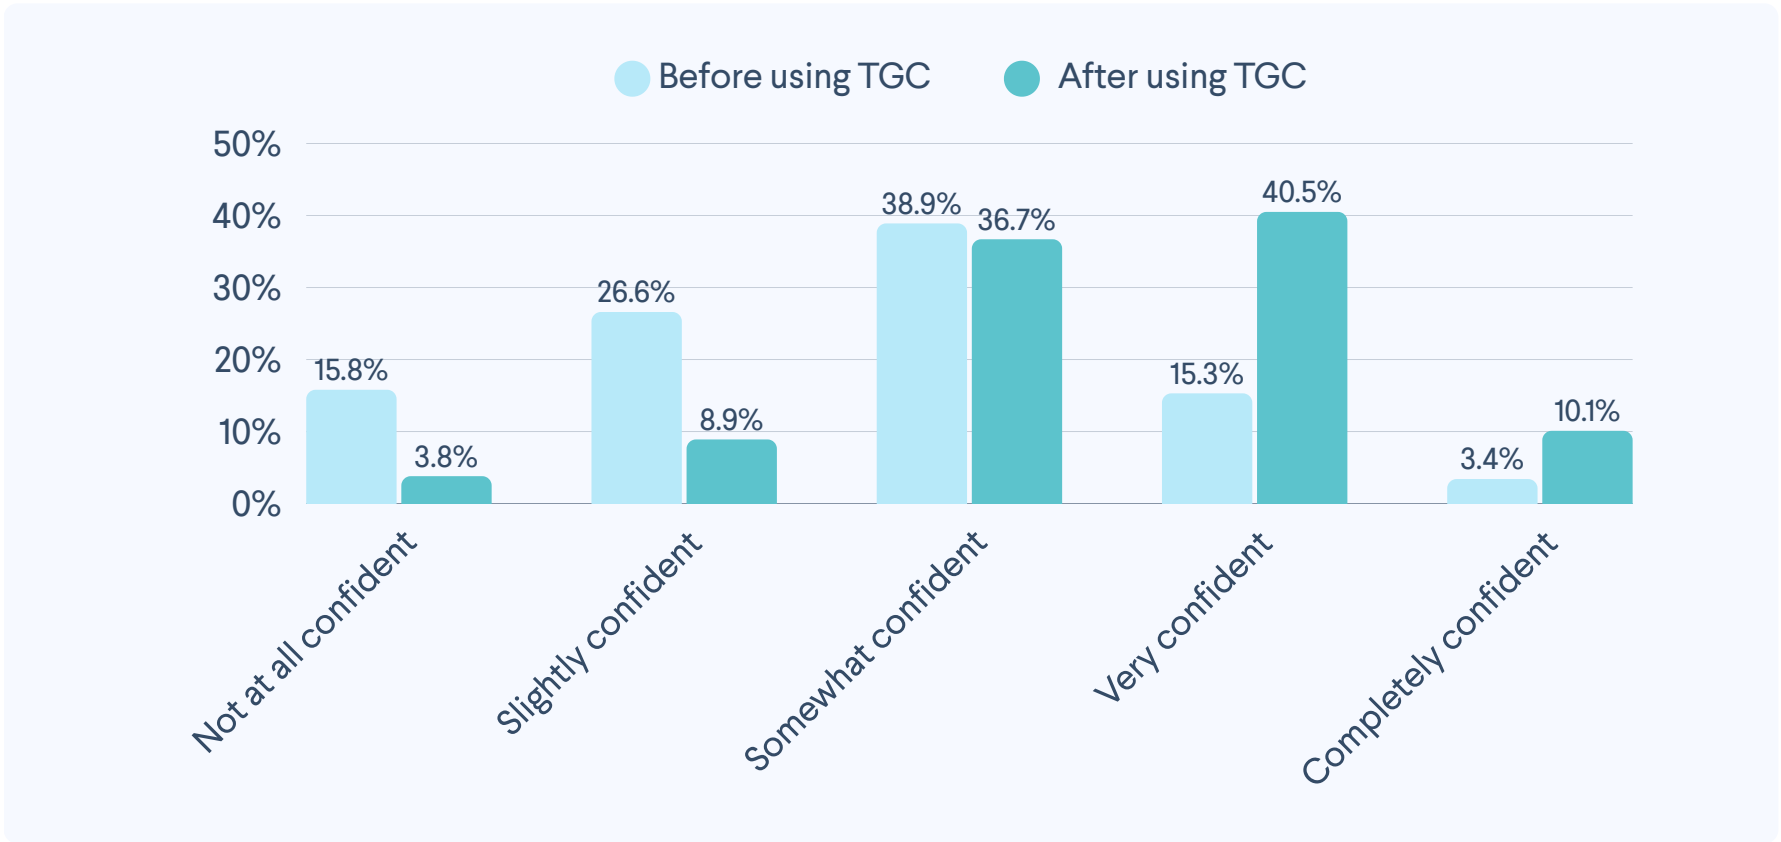

## 1. How confident do you feel about your general understanding of glaucoma and its impact on your life?

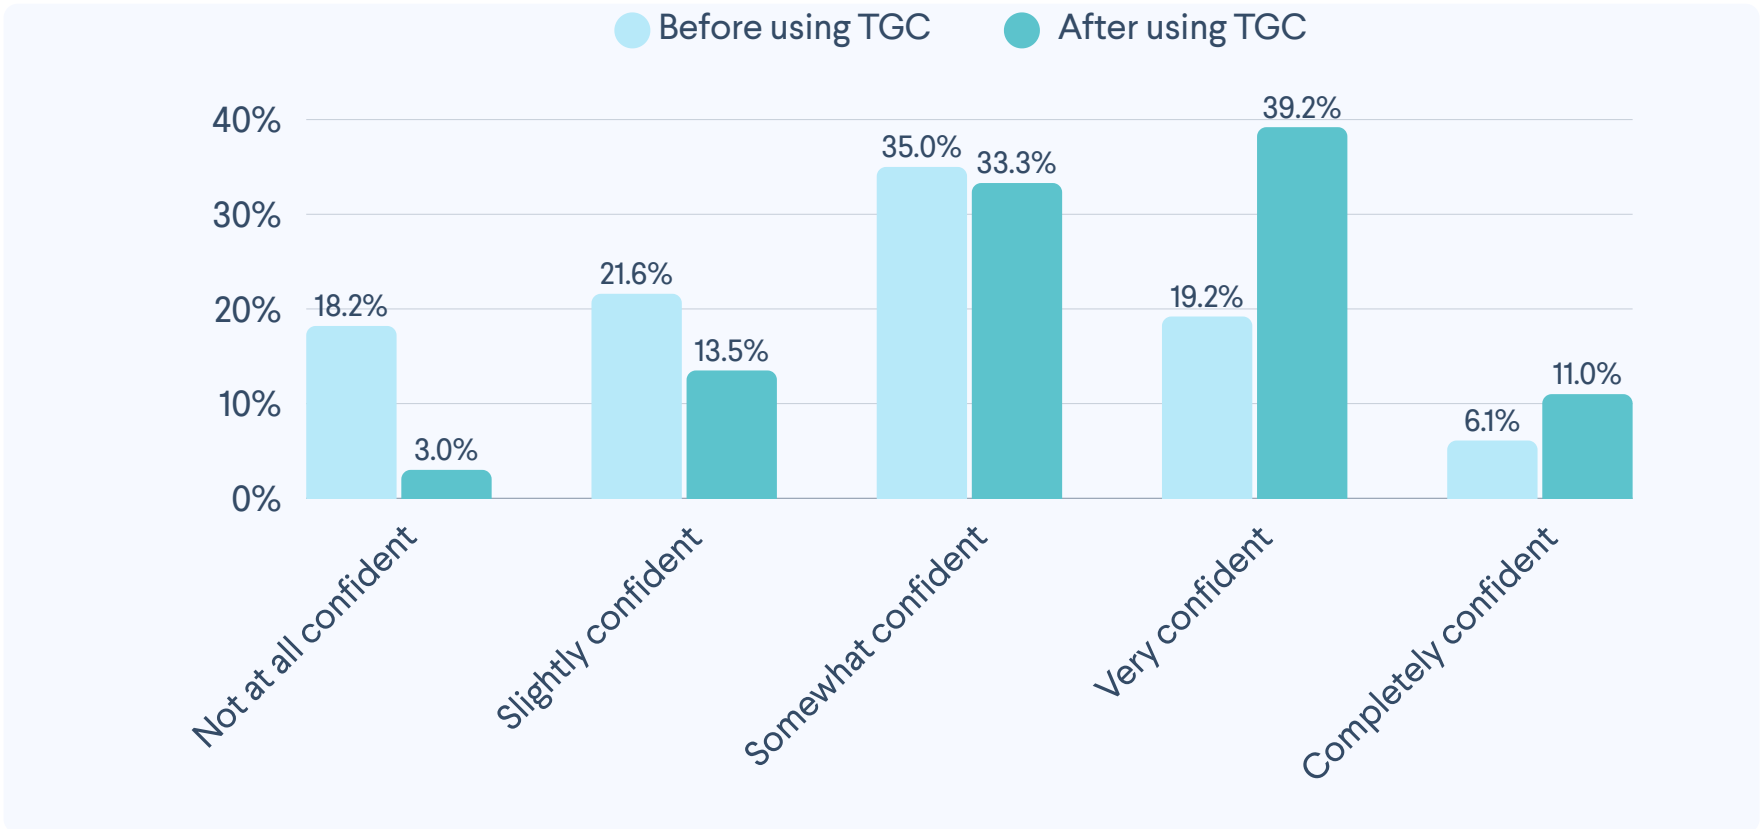

## 2. How confident do you feel about your understanding of what treatment options are available to you? (These include topical and oral medications, procedures, surgeries, and dietary and lifestyle changes.)

3. How confident do you feel about the information you have access to and how well it allows you to make healthcare decisions for yourself?

4. How confident do you feel about your ability to ask the “right” questions when you are with your doctor?

5. How confident do you feel about how mentally prepared you are to deal with glaucoma and its challenges?
